## ARTICLE V.

### TIMBER CREEK ADDITION HOMEOWNERS ASSOCIATION

1. Membership in Association. Upon the completion of all residences in the Property, or in the sole discretion of Developer, governing control of these covenants and restrictions shall be transferred to a homeowner's association, which shall consist of a non-profit corporation consisting of all homeowners in the Property. Immediately upon transfer, the Association shall elect a board of 5 Lot Owners who shall constitute the governing board of the Association and oversee enforcement of these covenants. Every Owner of any Lot which is subject by covenants of record to assessment by the Association shall be a mandatory member of the Association. There shall be one vote per Lot. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. All members of Timber Creek Addition Homeowners Association shall be governed and controlled by the Articles of Incorporation and by the Bylaws thereof.

2. Creation of a Lien and Personal Obligation and Assessments. The Developer hereby covenants, and each Owner of any Lot by acceptance of a deed thereof, whether or not so expressed in such deed, is deemed to covenant and agree to pay the Association annual general assessments or charges, and special assessments for capital improvements. All assessments shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment shall also be the personal obligation of the Owner of such property at the time when the assessment fell due.

3. Method of Assessment. By vote of a majority of the members, the Association shall fix their annual assessment upon the basis provided herein, provided, however, that the annual assessment shall be sufficient to meet the obligations imposed by this Declaration. The Association shall set the date(s) such assessments shall become due.

The Association may provide for collection of assessments annually or in monthly, quarterly, or semi-annual installments, provided, however, that upon default of the payment of any one or more installments, the entire balance of said assessment may be accelerated, at the option of the Association, to be declared due and payable in full.

4. General Assessment. The general assessment levied by the Association shall be used exclusively to promote the improvement, maintenance and operation of the roads, signage, mailboxes, common areas, parks, perimeter landscape and entrance to Timber Creek Addition. Each Lot, whether improved or unimproved, shall be assessed at a uniform rate with the assessment commencing on a date and for an amount determined necessary by the Association.

5. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable for that year and for not more than the next four succeeding years for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements located within the development including the roads, paving of roads, common areas, parks, entrance and the landscaped area or area of the entrance, street lighting, banners, or other decorations to enhance the aesthetic value of the subdivision, sidewalks, or any other improvement, including fixtures and personal property related thereto, providing that any such assessment shall require the approval of a two-thirds (2/3) majority of the owners who are voting in person or by proxy at a special meeting duly called for that purpose. So long as the Developer owns any Lot any special assessment must also be approved in writing by the Developer. Any special assessment shall be levied in equal amount for each Lot.

6. Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

7. Enforcement of Lien and Covenants:

A. All delinquent assessments, together with interest thereon (at an interest rate equal to that rate charged by Cass County for delinquent taxes), and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest thereon, attorney's fees and costs of collection thereof, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

B. If the Association elects to claim a lien for non-payment of assessments, it shall at any time within thirty (30) days after the occurrence of default make a demand for payment to the defaulting owner. Said demand shall state the date and amount of

delinquency. If such delinquency is not paid within ten (10) days after delivery of such notice, the Association may elect to file a claim of lien against the Lot of such delinquent owner. Such claim of lien shall state:

- i. The name of the delinquent owner.
- ii. The legal description of the Lot against which the claim of lien is made.
- iii. The amount claimed to be due and owing.
- iv. That the claim of lien is made by the Association pursuant to the terms of this Declaration.
- v. That the lien claimed against the Lot is in an amount equal to the amount of the stated delinquency.
- vi. Due demand has been made upon the defaulting or the delinquent owner pursuant to this Declaration and that said amount was not paid within the ten (10) days after such demand.

Upon recordation of a duly executed and acknowledged original of such claim of lien by the Recorder of Cass County, the lien claimed therein shall immediately attach to the real property and become effective subject to the limitations hereinafter set forth. Each default shall constitute a separate basis for a claim of lien or a lien but a number of defaults may be included within a single claim of lien. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of real estate mortgages pursuant to the statutes of the State of North Dakota.

The lien of the assessments provided for above shall be subordinate to the lien of any first mortgage, first purchase money security deed, or security deed representing a first lien on said property and including the improvement note and mortgage of the Developer. Sale or transfer of any Lot pursuant to foreclosure shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall release such Lots from liability for any assessments thereafter becoming due or form the lien thereof.

C. In addition to lien rights, the Developer or Association, as the case may be, shall have the authority to levy fines upon any homeowner who remains in default of these covenants after written notice of default. The amount of such fines shall be adjusted on a periodic basis by the Developer or Association, but the minimum amount per violation shall be set at \$50.00. Any fine not paid shall be a charge on the land and a continuing lien on the Lot, together with attorney's fees and the cost of recording the lien.

## ARTICLE VI.

### MAINTENANCE

1. Areas of Association Responsibility. The Association, or its duly delegated representative, shall be responsible for the management and maintenance of the roads, signage, mail boxes, common area, parks, perimeter landscape and entrance to Timber Creek Addition, and all improvements located thereon, except for any part thereof which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance of all common areas. No Owner, resident or other person shall construct or install any improvements on the common areas or alter, modify or remove any Improvements situated on the common areas without the approval of the Board. No Owner, resident or other person shall obstruct or interfere with the Association in performance of the Association's management or maintenance of the common areas, and the improvements located thereon.

2. Lots. Each Owner of a Lot shall be responsible for the maintenance of his Lot, and all buildings, Residential units, landscaping or other Improvements situated thereon. All buildings, Residential units, landscaping and other improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines, trees and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Review Committee. No yard equipment, wood piles or storage areas may be maintained so as to be visible from neighboring property or streets. All Lots upon which no Residential Units, buildings or other structures, landscaping or improvements have been constructed shall be maintained in a weed free and attractive manner.

3. Assessment of Certain Costs of Maintenance and Repair. In the event that the need for maintenance of and common areas is caused through the willful or negligent act of any Owner, his family, tenants, guests, or invitees, the cost of such maintenance shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

4. Improper Maintenance and Use of Lots. In the event any portion of any Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Lot is being used in a manner which violates this Declaration, or in the event the Owner of any Lot is failing to perform any of its obligations under the Association Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such

Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

## ARTICLE VII.

2. Right to Enforce. Failure to enforce any of the covenants, conditions, restrictions, easements, liens and charges now or hereafter imposed pursuant to the covenants or restrictions should not be deemed a waiver of the right to do so thereafter, nor shall it be construed as an act of acquiescence or approval on the part of the Owners.

The covenants, restrictions and conditions of this Declaration shall run with and bind the Property and shall inure to the benefit of and be enforceable by the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, devisees, successors and assigns for a term of thirty (30) years from the date this Declaration is recorded. After that time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then Owners has been recorded, agreeing to modify said covenants and restrictions in whole or in part.

4. Severability. The invalidation of any one of these covenants or restrictions by Judgment or Court Order shall in no way affect any other provisions which shall remain in full force and affect.

It shall be conclusively presumed that the Developer has not divested itself of responsibility for architectural control unless there is a sworn affidavit of record so stating. After that time, this Declaration may be amended by an instrument signed by a majority of the then-Owners. Any instrument amending, modifying or canceling this Declaration must be properly filed and recorded before it shall be effective.

IN WITNESS of its terms and conditions, the undersigned, being the Owner and Developer, have caused this Declaration to be executed the day and year first above written.
